

# Dissertation Advisory Committee (TAC)

*As of 1 March 2021*

*Applies to doctoral students who have started their doctoral/PhD studies between summer semester 2021 and winter semester 2023.*

- The student, in conjunction with the supervisor, will set up the Dissertation Advisory Committee (TAC), **which consists of the supervisor(s) and at least one co-advisor** encompassing the relevant discipline(s) of the thesis topic.
- The TAC discusses the **plan of study** with the student and **ensures that he/she receives sufficient training** in all required research areas.
- The doctoral student attends progress seminars and the **TAC meets with the student once a year**. Feedback from the TAC will be **summarised in written form and attached to the annual progress report** of the dissertation project.
